The Knot enlisted the expertise of **KATHI R. EVANS** of **ALL THE BEST WEDDINGS & CELEBRATIONS** to create a spectacular celebration at **DOLCE BASKING RIDGE**. Local wedding professionals showcased their designs and ideas, and The Knot gave back to the community by making donations to Ronald McDonald House – Long Branch & New Brunswick.

"Keep it hot before it gets cold" was our idea behind a Miami Hot theme for the event at the Dolce Basking Ridge. Bright jewel colors, lighting and drapery were used to convert the cocktail area and ballroom into jaw-dropping spaces. Color-matched specialty drinks, a cigar roller, South Beach-type foods and upbeat music helped keep the vibe going all night."
